Darren Hine  
Commissioner Of Police  
Tasmania Police Force  
37 – 43 Liverpool Street  
Hobart Tasmania 7000

Attention: - Regarding Breaking the Law!

Subject: - Damien Bugg QC (Ex- DPP) Tasmania,  
committing Perjury before the Supreme Court Of  
Tasmania also Perverting The Law and Course of  
Justice.

Dear Mr. Commissioner

I am writing to you today  
to ask and request you assign two of your most  
outstanding officers to investigate and hopefully  
charge Mr Damien Bugg with these offences  
under Tasmanian Law, which happen 22 years  
ago.

So it would seem your State Governments and  
Police Commissioners ever since 1996 have been  
so corrupt to the bone to bring Damien Bugg  
before the Courts to answer for his crimes which  
he committed all those years ago.

All men and women are suppose to be equal under the law, yet again we see this is not the case, just because Damien Bugg QC served as your States DPP for a number of years, also went onto serve as Commonwealth DPP for a few years, that doesn't mean he gets a free bus pass for crimes he commits in the community.

And anybody covering up his crimes also deserves to be brought up on chargers of Perverting The Law and Course of Justice too.

With all that said down to business.

22 Years ago now plus some, when Damien Bugg QC was your States DPP Officer and Officer of the Court at Martin Bryant sentence hearing he deliberately lied to the Supreme Court 52 times, knowing he was misleading the Court and Committing Perjury, also knowing under the Law he was Perverting The Law and Course of Justice plain and simple.

Checking the law, it is incumbent of the DPP to tell the Court the Truth and nothing but the truth and there is NO Law on the statue books which allow the DPP to lie to Court, mislead the Court about the defendant in any shape or form.

There is no statute of limitations either by which any member of the general public can put in a complaint about the said person even after 22 years have past.

Please see enclosed with this letter sent a copy of the following: - DPP Tamper With & Withholds Evidence

Also see enclosed: - Fake Tasmania Police Statement Officer making Fake Statement Sgt Mick Dyson – Former head of the Tasmania SOG Unit.

Also see enclosed witness statements made and they can be compared against the lies Damien Bugg QC told the Court deliberately that day.

Also see enclosed page 13 from Dr Keith Allan Noble Book - 20 YEARS CORRUPTION, DECEPTION, LIES OFFICIAL MASS MURDER, PORT ARTHUR, TASMANIA and what he has to say about Damien Bugg.

With all four things enclosed there is enough evidence for Police Officers assigned to the case to charge Damien Bugg with the above offences and prosecute him to the highest level of the law.

Thank you in advance for assigning officers to investigate this case.

Yours truly

Lloyd T Vance
